

BlueLinx Corporation Introduces onCENTER(TM) Engineered Products

ATLANTA, Feb. 7, 2012 (GLOBE NEWSWIRE) -- BlueLinx Corporation, a leading distributor of building products in North America, today announced the launch of its privately branded onCENTER engineered product line. onCENTER branded engineered products will consist of onCENTER BLI Joists, onCENTER Laminated Veneer Lumber (LVL), onCENTER Glulam 3000, and onCENTER Rim Board. Dealer and lumberyard customers will be able to purchase these products beginning February 13, 2012.

All onCENTER BLI Joists and LVL will be backed by a lifetime limited warranty and supported by a full-service, cross functional team of engineers, technicians, software developers, inside sales, and field based market managers. "The onCENTER brand will allow us to bring a total engineered products solution to our customers," said Kent Marks, General Manager of Engineered Products.

For more information about onCENTER Engineered Products, call 1-877-914-7770, or visit www.buildonCENTER.com.
